

# Barriques Tasting Schedule

Our tastings are set up so that you can learn and most importantly have fun! There are no reservations needed unless otherwise specified and they are set up in what we like to call ‘casual’ style, not ‘classroom’ style. That means that, while taking part in the tasting, you can hang out by the tasting table and ask questions, browse around the store, or sit down and chat with your friend. It can be as intense or as casual of a learning experience as you make it. Our tastings always run from 5:30—8:30pm Friday and Saturday unless otherwise specified. Stop in anytime during those 3 hours. Our Wine of the Month Club members get a discount at all of our tastings which is reflected in the pricing below. e.g. 15/13 means \$15 general public/\$13 WOMC members.
